- QUALITY MATERIALS - DURABLE CONSTRUCTION

Solid Wood Face Frames

A top choice for when it comes to cabinetry. Known for its durability, strength, and resistance to scratches and dents.

Dovetail Construction

The strongest of all joints. This interlocking design looks attractive and has a large glue area for increased strength.

AA Grade Plywood

A premium grade plywood, both sides have an A-grade surface that features a smooth, finished surface without knots.

Limited Lifetime Hardware Warranty*

If our glides or hinges stop working properly, Wholesale Kitchens will exchange the damaged glides and hinges without charge*.

* Conditions apply. Ask your dealer for more information.
